MRC^{EM} OSCE

— OCT/NOV 2023 EXAM —

Mastering MRCEM OSCE Exams

Your Path to Clinical Excellence and Exam Success

Are you a medical professional aspiring to ace the MRCEM OSCE exams? Elevate your clinical skills and communication competence with our exclusive 2 Day Live Circuit Course.

Designed to mirror the real MRCEM OSCE format endorsed by RCEM standards, this immersive offline program is guided by MRCEM experts who will steer you towards exam success. Get a stress-free approach to learning and ensure you're fully prepared to conquer the MRCEM OSCE exam.

Enroll today and start your Journey of Excellence!

Salient Features of Our 2 Day Live Circuit Course

- » **Realistic Exam Simulation:** Experience an authentic replication of the MRCEM OSCE exam, with 16 examiners and stations, to boost your confidence.
- » **Clinical Development Workshops:** Enhance your clinical skills through hands-on workshops, bridging the gap between theory and practice.
- » **Evaluate Your Exam Readiness:** Gauge your preparedness through meticulous assessment and receive personalized guidance for improvement.
- » **Communication Mastery:** Hone your communication skills from MRCEM mentor from the UK.
- » **Insights from MRCEM Experts:** Gain invaluable tips, strategies, and insights from experienced panel of mentors who cleared MRCEM, to refine your approach.
- » **Hands-On Learning:** Participate in dry lab clinical workshops for practical, experiential learning.

What To Expect?

- » **Experienced MRCEM-qualified Examiners:** Our panel of 16 examiners who have cleared MRCEM brings a wealth of knowledge and expertise to guide you through the MRCEM OSCE preparation process.
- » **Realistic Exam Circuits:** Each candidate will be able to participate in 2 full circuits, just like the actual MRCEM OSCE Exam. This provides a comprehensive understanding of the exam's structure and requirements.
- » **High-Fidelity Scenarios:** Benefit from 50+ meticulously prepared scenarios that challenge and enhance your clinical skills, ensuring you're well-prepared for any situation.
- » **Replicating Real Exam Conditions:** With 16 stations and 16 examiners, experience the pressure and environment of the MRCEM OSCE first-hand.
- » **Structured Time Pattern:** Familiarize yourself with the time constraints (16 / 8-minute stations, with one minute reading time between stations) of the actual MRCEM exam for better time management.
- » **Interactive Workshops:** Engage in workshops by MRCEM mentors from the UK that cover crucial aspects like Communication Skills, NHS System, Domains, History Taking, and Interpersonal Skills.
- » **Personalized Feedback:** After each station, you'll receive 3 minutes detailed feedback from examiners, helping you identify areas for improvement and refine your approach.
- » **Certificate of Participation:** Upon completing the program, you'll receive a certificate of participation.
