If you are a medical professional looking to crack the final stage of MRCOG Part 3, then our two-day live circuit course will surely be an ideal option that gives you an extra edge. Enroll today and start your journey of career excellence!

What Awaits You?

Experience Real Like Exam Scenarios

Experience real like MRCOG Part 3 exam scenarios by participating in 2 Complete Circuits
(28 Stations – 14 as active and 14 as passive)

Performance Monitoring

Performance tracking and opportunity to receive personalized suggestions from MRCOG experts to refine your areas of improvement.

Communication Mastery

Opportunity to hone your communication skills by gaining invaluable tips and suggestions from an experienced panel of mentors who cleared MRCOG, to refine your approach.

Evaluate Your Exam Readiness

Measure your readiness for exams with a comprehensive assessment and receive tailored recommendations for enhancement, boosting your confidence as you step into the examination hall.

Systematically Designed Clinical Development Workshops

Delve deep into the Clinical Development Workshops and enhance your clinical skills, bridging the gap between theory and practice. Exclusive workshops are designed on NHS System, Labour Ward Prioritization, Communication Skills, UK Forms, and much more.

Opportunity for Direct Doubt Clearance

A Rare opportunity to practice all obstetrics and gynaecology procedures with mannequins. Aspirants can clear their doubts directly with MRCOG experts.

Master Time Management

Acquire time management skills, a must requirement for excelling in the MRCOG Part 3 exam.

Learn from MRCOG Experts

Opportunity to get insights from an expert panel of 14 Examiners, Role Players and 4 Lay Examiners. Receive 3 minutes detailed feedback at the end of each station, empowering you to understand your strengths and areas of improvement.

RCOG-Aligned Approach

Course strictly follows RCOG guidelines for the MRCOG Part 3 exam.

Evaluate Your Exam Readiness

Measure your readiness for exams with a comprehensive assessment and receive tailored recommendations for enhancement, boosting your confidence as you step into the examination hall.

Certificate of Participation

You will be awarded with a certificate of participation upon completion of the course.
