What is FMGE?

The Foreign Medical Graduate Examination (FMGE) is a national-level entrance exam conducted by the National Board of Examination (NBE) in India. This licensing exam was introduced with the intention of maintaining uniform standards among medical professionals. FMGE assesses the knowledge and skills of foreign medical graduates who are either Indian citizens or hold Overseas Citizenship of India (OCI) status, allowing them to practice medicine in India.

Hear From Our Proud StudyFMGE Champions

Dr. Rahul Kumar

I only used StudyMEDIC's study materials to prepare, and the mentors were super helpful. Their advice was really valuable, and I highly recommend it to everyone preparing for FMGE.

Dr. Anjali Verma

I want to say a big thank you to all the mentors who supported me. The live classes, podcast videos, short summaries, and recorded sessions – everything provided by StudyMEDIC – were really, really helpful in my FMGE preparation.

Dr. Sameer Khan

I want to thank StudyMEDIC for believing in me and giving me the confidence I needed. Without your support, I'm sure I wouldn't have passed the FMGE in the first attempt.

Dr. Arathi Arjun

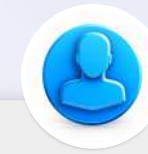

Thank you, StudyMEDIC, for helping me build my dream medical career in India. All the mentors were really supportive and helpful. Thank you.

Dr. Deva Shankar

The best place for those who dream of a medical career in India. Thank you, dear mentors, for the right guidance. Thank you so much.

Dr. Seethalakshmi T K

Thanks a ton to the StudyFMGE team. All credits for my FMGE exam go to you, dear mentors. Thank you, team.
