

Conquer FRCR PART 2A challenge with StudyFRCR

WE ARE ACCREDITED BY:

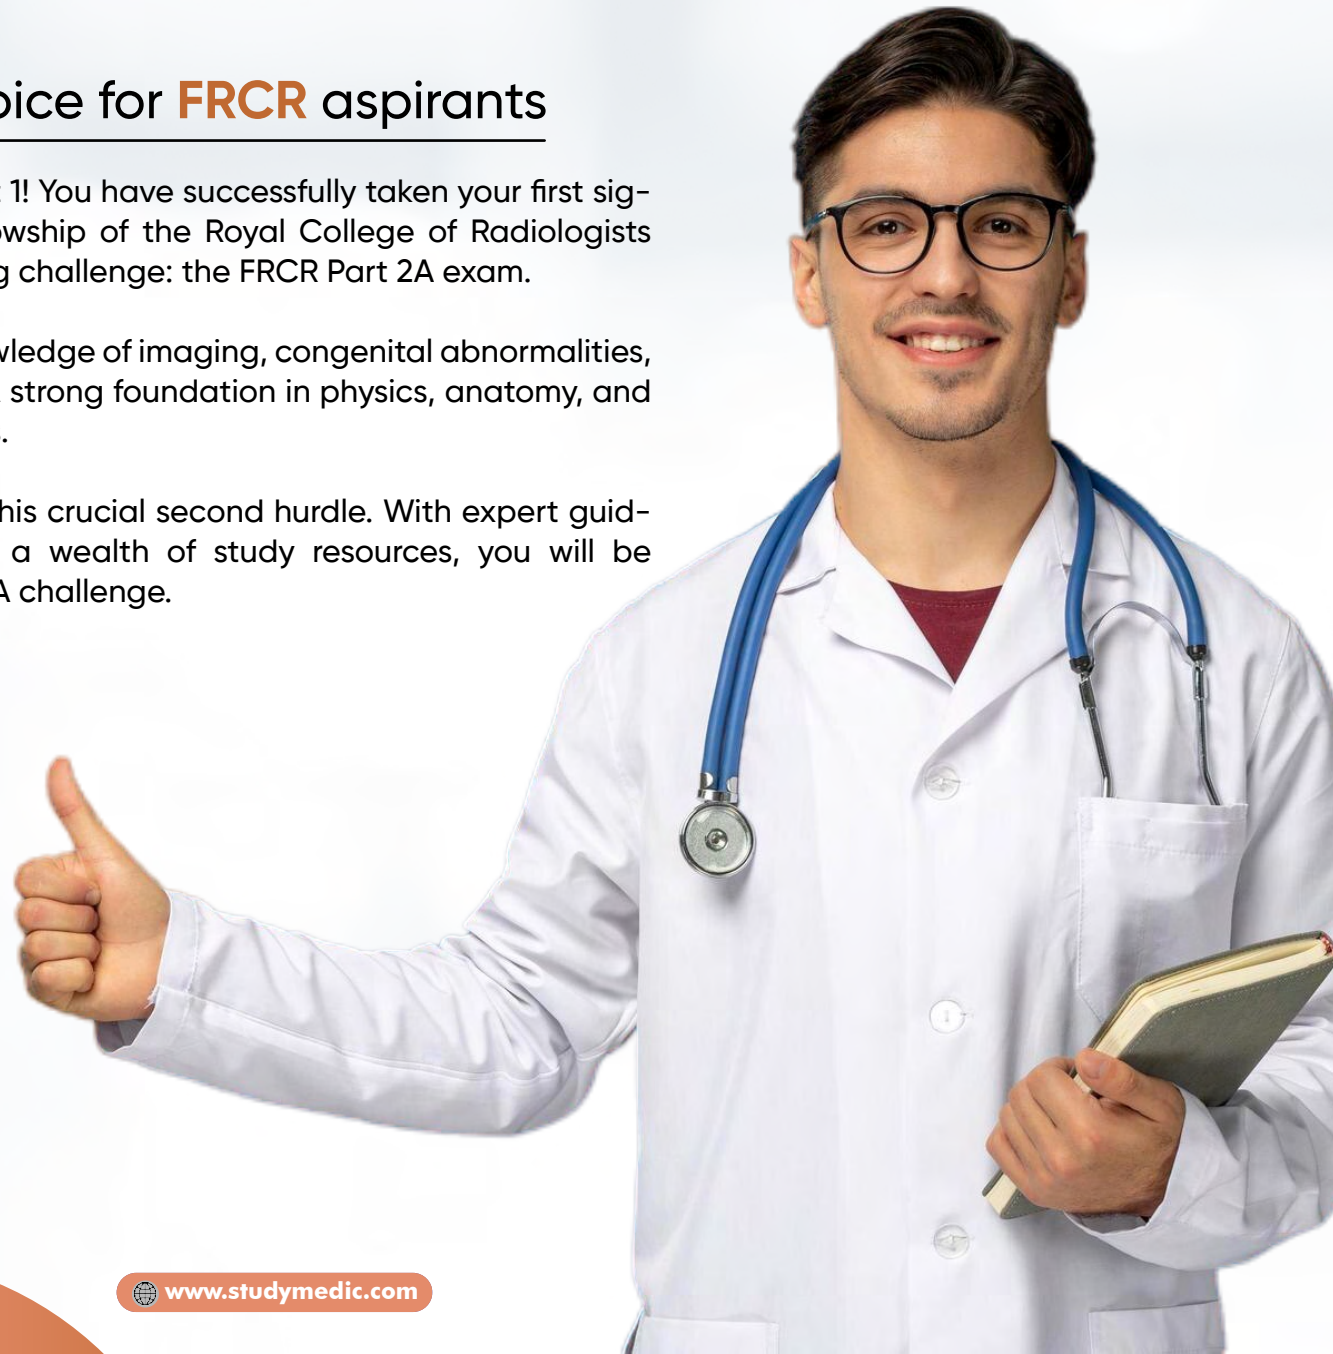

StudyFRCR – The no. 1 choice for FRCR aspirants

Congratulations on completing FRCR Part 1! You have successfully taken your first significant step towards achieving the Fellowship of the Royal College of Radiologists (FRCR). Now, it's time to tackle the next big challenge: the FRCR Part 2A exam.

The FRCR Part 2A exam assesses your knowledge of imaging, congenital abnormalities, pathology, and radiological techniques. A strong foundation in physics, anatomy, and imaging modalities is essential for success.

StudyFRCR is here to guide you through this crucial second hurdle. With expert guidance from FRCR-qualified mentors and a wealth of study resources, you will be well-prepared to take on the FRCR Part 2A challenge.

StudyMEDIC Revolutionising Global Medical Education

StudyMEDIC, the sole accredited partner of **EBCOG** and provider of **ISUOG**-accredited ultrasound courses, is the leading medical education training platform accredited by international organisations and bodies like **CPD**, **AAA**, **ACTD**, **IAO**, and more. Founded in 2016 and headquartered in Qatar, the organisation offers training and courses for a bunch of globally renowned medical memberships, fellowships, skill enhancement, medical entrance, and licensing exams. With a unique training structure and a globally recognised panel of mentors with decades of clinical and teaching experience, our comprehensive and well-structured courses are designed to empower candidates with the essential knowledge and skills needed to build their dream careers internationally.

WE ARE ACCREDITED BY:

StudyFRCR— The ultimate **FRCR Part 2A** prep hub!

StudyFRCR, a sister concern of StudyMEDIC Academy, is the leading platform for FRCR exam preparation. We provide well-organised short and long-term courses specifically designed for FRCR Part 2A candidates, featuring an impressive track record of success. With expert guidance from the world's top mentors and a broad array of study materials, you will be well-prepared to tackle the exam on your first attempt.

What is FRCR Part 2A?

FRCR Part 2A exam is split into two papers, usually held over two days in November and April. The exam evaluates your knowledge of imaging, congenital abnormalities, pathology, and radiological findings, requiring a comprehensive understanding of core clinical radiology practices equivalent to ST3 and ST4 levels.

FRCR Part 2A exam at a glance

01

Mode of the exam:
Computer based exam

Number of papers: 2

02**03**

Number of questions:
120 SBA questions for each paper

Duration of the exam:
3 hours for each paper

04

Eligibility for FRCR Part 2A

Achiever's corner: Hear from those who made it big!

Dr. Karan Sharma

Balancing work and study for the FRCR Part 2A was challenging until I found StudyFRCR. Their flexible learning options and expert mentorship made it possible. The mock exams were particularly helpful in identifying my weak areas. Thank you StudyFRCR and all the mentors.

Dr. Ishan

I passed FRCR Part 2A on my first try. Thanks to StudyFRCR. The course content was highly relevant, and the mock exams accurately reflected the exam format. Without your help this would not have been possible.

Dr. Deona Rose

I opted for the 6-week course at StudyFRCR, and it was exactly what I needed. Their expert mentors and detailed mock exams provided clarity on complex topics. The flexibility of the course allowed me to study at my own pace while fitting in with my work schedule. Thanks to the entire StudyFRCR team.

Dr. Ashkar Ahmed

I was sceptical about online courses initially, but StudyFRCR exceeded my expectations. The quality of the study materials and the dedication of the support team were exceptional. Thanks to StudyFRCR.

Dr. Edwin J Syriac

The FRCR Part 2A exam was challenging, but StudyFRCR's comprehensive coverage of the syllabus gave me the confidence I needed. Their practice questions were spot on and the feedback I received was invaluable. I am delighted to have chosen StudyFRCR.
