## Hear From Our **MRCOG** Part 3 *Champions*

I am writing to express my deepest gratitude and to convey my heartfelt thanks to you. As with very difficulty I cleared the MRCOG Part 3 examination, and I am thrilled to have this milestone in my career. I met this group at the end of my journey during the face to face circuit course. They are very helpful, supportive and the course was very helpful like a real exam. Mentor's support, encouragement, and faith in my abilities have played a significant role in my achievement. Once again, thank you from the bottom of my heart. God Bless. Must appreciate it.

**DR. AMBIA AHMED**

A very big thanks to you Dr. Sowmya ma'am, for all your efforts, constant encouragement, you always push us to get better everyday with random sessions..!! You wish the best for everyone.. Which is amazing You will be a constant source of inspiration for us, even after this and many many thanks to all the mentors Dr. Aysa Ashraf ma'am, Dr. Priyadarshini ma'am, Dr. Priti Anand ma'am, Dr. Rhythm ma'am, Dr. Deepeka T S ma'am, Dr. Dhavashree ma'am, Dr. Devika ma'am, Dr. Meghna nayak ma'am. This wouldn't have been possible without all of your constant support and guidance.

**DR. SUSHMA MUNNAM**

I would like to thank StudyMEDIC, the whole team and the wonderful mentors who have supported me throughout. Their constant efforts and motivation will encourage you to work harder and harder. A very special thanks to Dr. Sowmya ma'am who is a constant source of inspiration. Her commitment, daily practice sessions and brainstorming will not only make you clear the exam but also give you confidence to handle anything..... I can't thank StudyMEDIC enough and I would recommend it to every MRCOG candidate.....

**DR. NEHA BANSAL**

If you are preparing for the MRCOG Part 3 examination, StudyMRCOG is the ideal study partner on your journey to achieving a global career in obstetrics and gynaecology.

Join countless aspirants who have cracked MRCOG Part 3 and realised their dream of practising as an OBG expert beyond borders with StudyMRCOG
