What is MRCP PACES ?

MRCP PACES is the final round of clinical examination in the MRCP (UK) series of tests that you need to pass in order to be a proud RCP member. This Practical Assessment of Clinical Examination Skills (PACES) exam is designed to test the clinical knowledge and skills of trainee doctors who hope to enter higher specialist training (ST3).

By passing MRCP PACES, you are ready to provide a high standard of care to patients, meeting the rigorous standards of the Royal College of Physicians.
