StudyMEDIC

Redefining Medical Education

StudyMEDIC, the proud parent of StudyPLAB, is a pioneer in combining expert mentorship with advanced technology. Established in 2016, our mission is to empower medical professionals to reach their highest potential.

Our excellence in education is backed by numerous recognitions and accreditations, including those from **EBCOG**, **CPD**, **ACTD**, **IAO**, **AAA**, and **ISUOG**. We've earned accolades like the Global Achievers' Award 2021 and the World Leadership Award 2022. As the sole official global partner of **EBCOG**, these honours fuel our commitment to delivering the best education possible.

StudyPLAB: The Leading Choice for PLAB 1 Success

StudyPLAB, a sister concern of StudyMEDIC, is the gold standard in PLAB 1 exam training, with short and long-term courses designed by PLAB-qualified experts with the sole intention of helping you succeed in your PLAB 1 exam. Join us and take the first step towards achieving your global medical goals.

What Awaits You After PLAB 1?

Global Recognition and Credibility

PLAB certification provides widespread recognition across the United Kingdom, Australia, New Zealand, Canada, Ireland, Scotland, Qatar, Dubai (United Arab Emirates), Saudi Arabia, Sri Lanka and many more countries. It serves as a testament to your clinical excellence and quality patient care, earning you respect from peers and healthcare systems worldwide.

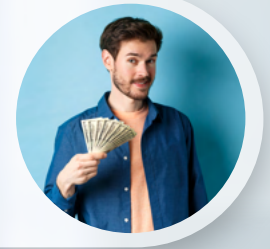

Enhanced Diagnostic and Clinical Skills

PLAB certification provides widespread recognition across the United Kingdom, Australia, New Zealand, Canada, Ireland, Scotland, Qatar, Dubai (United Arab Emirates), Saudi Arabia, Sri Lanka and many more countries. It serves as a testament to your clinical excellence and quality patient care, earning you respect from peers and healthcare systems worldwide.

Better Remuneration

PLAB 1 certification can significantly boost your earning potential. With PLAB 1, you can access higher pay and medical positions in the UK and beyond, offering you the option to earn more and advance your career both locally and internationally.

GMC Registration

For international medical graduates (IMGs) to practise medicine in the UK, GMC registration is essential. Passing PLAB 1 is a crucial step toward obtaining GMC registration, allowing you to work in the UK, with higher opportunities based on your experience.

PLAB 1: Your Gateway to Practising Medicine in the UK

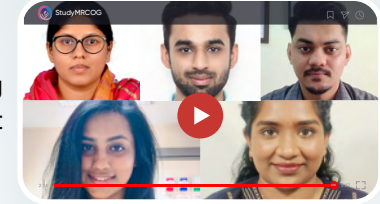

PLAB 1 is the first of two exams required to gain the Professional and Linguistic Assessments Board certification. The exam assesses your theoretical knowledge in medicine, ensuring you are well-versed in essential medical principles.

How **StudyMEDIC** PLAB 1 Courses Stand Out!

Live Sessions Led by PLAB Qualified Expert Mentors

Our panel of 10+ PLAB-qualified experts will guide you through live interactive sessions, offering detailed analysis and Q&A discussions. Benefit from personalised mentorship and expert insights to ensure your PLAB 1 success.

Comprehensive Coverage of the PLAB 1 Examination Syllabus

StudyMEDIC guarantees thorough coverage of the PLAB 1 syllabus, addressing all essential topics to ensure you are well-prepared for the exam.

StudyMEDIC Course Library

Our courses are complemented by an extensive course library organised by module, providing access to various learning materials tailored to your needs.

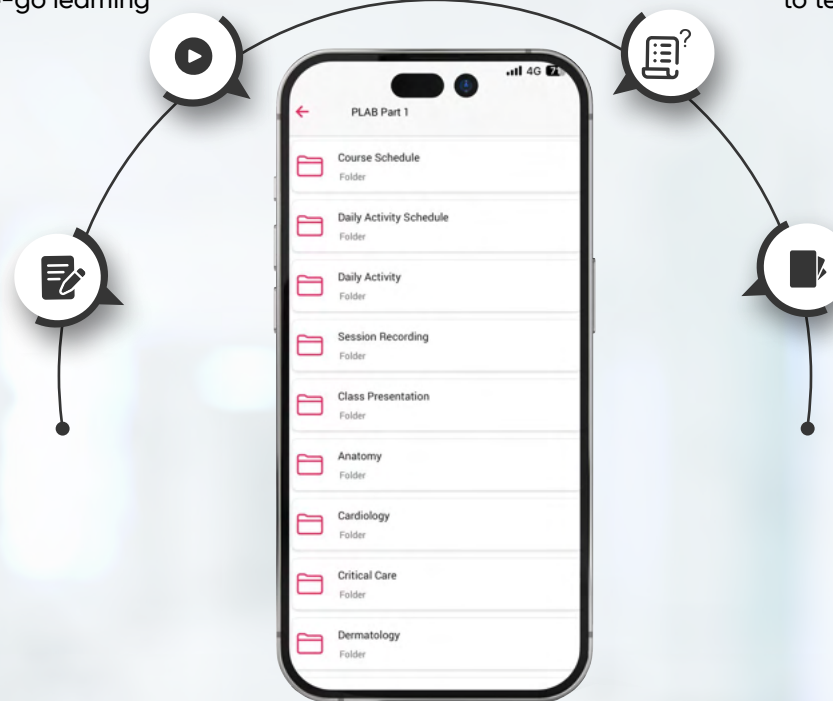

What You Get Through the StudyMEDIC Course Library

Prep Videos: Informative audio sessions for on-the-go learning

Question Banks: Extensive questions to test your knowledge

Summaries: Concise overviews of key guidelines

Flashcards: Tools for rapid revision

Mock Exams

Track your progress with monthly and mega exams modelled after the PLAB 1 exam format. These practice exams help identify strengths and weaknesses, giving you a chance to maintain your strengths and cover your weaknesses.

Intensive Hours

Regularly conducted intensive hours with mentors ensure thorough coverage of the syllabus, addressing doubts through discussions focusing on key areas such as basic medical sciences, clinical sciences, and evidence-based medicine.

Study Group with Mentor Support

Engage in daily study group activities with the support of mentors, allowing for collaborative learning and a clear understanding of complex concepts by collaborating with peers.

StudyMEDIC LMS & Mobile App

Learn through our user-friendly LMS and Mobile App for content access anytime and anywhere. You can review lecture slides and recorded sessions as often as you need to enhance your preparation.

Hear from Our Success Stories

Dr. Mridula Joginapally

Highly useful session, with an exam-oriented approach.
I would

Dr. Sitara

Nice session, looking forward to more such valuable sessions. Thanks for your valuable time and effort. Stay Blessed and Happy always. Ameen

Dr. Aditi Rahman

Ma'am is so patient, from the starting till the last moment her energy was the same. She kept us very interactive during the session Looking forward to tomorrow's class again, Love and lots of prayers for ma'am

Dr. Mahnoor Bhatta

Not as such. Happy to know that somebody has 'got us'. Especially for someone like me who needs a push and a bit of organising to help cast away the horrible procrastination. I hope I am able to make use of this course fully.
Thank you!

PLAB 1 is a challenging journey that requires consistent effort, dedication, and willpower. With **StudyMEDIC** by your side, there's nothing stopping you from achieving your dream of practising medicine in the UK. Begin your **PLAB 1** preparation with us today!
