

StudyMEDIC Advanced Clinical Training Program for

MRCOG

WE ARE ACCREDITED BY:

StudyMEDIC

Revolutionize Your Obstetrics & Gynaecology Career Globally

Embark on a transformative journey with StudyMEDIC's Advanced Clinical Training Program for MRCOG. This meticulously crafted two-year program is your gateway to the prestigious Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) qualification. We don't just prepare you for an exam; we sculpt future leaders in global women's health care

What is the StudyMEDIC Advanced Clinical Training Program?

The StudyMEDIC Advanced Clinical Training Program is a comprehensive, cutting-edge medical education initiative designed to bridge the gap between theoretical knowledge and practical clinical skills. This program is specifically tailored for doctors aiming to achieve prestigious memberships like

MRCOG, MRCEM, MRCS, MRCPCH, FRCR and MRCP

etc.

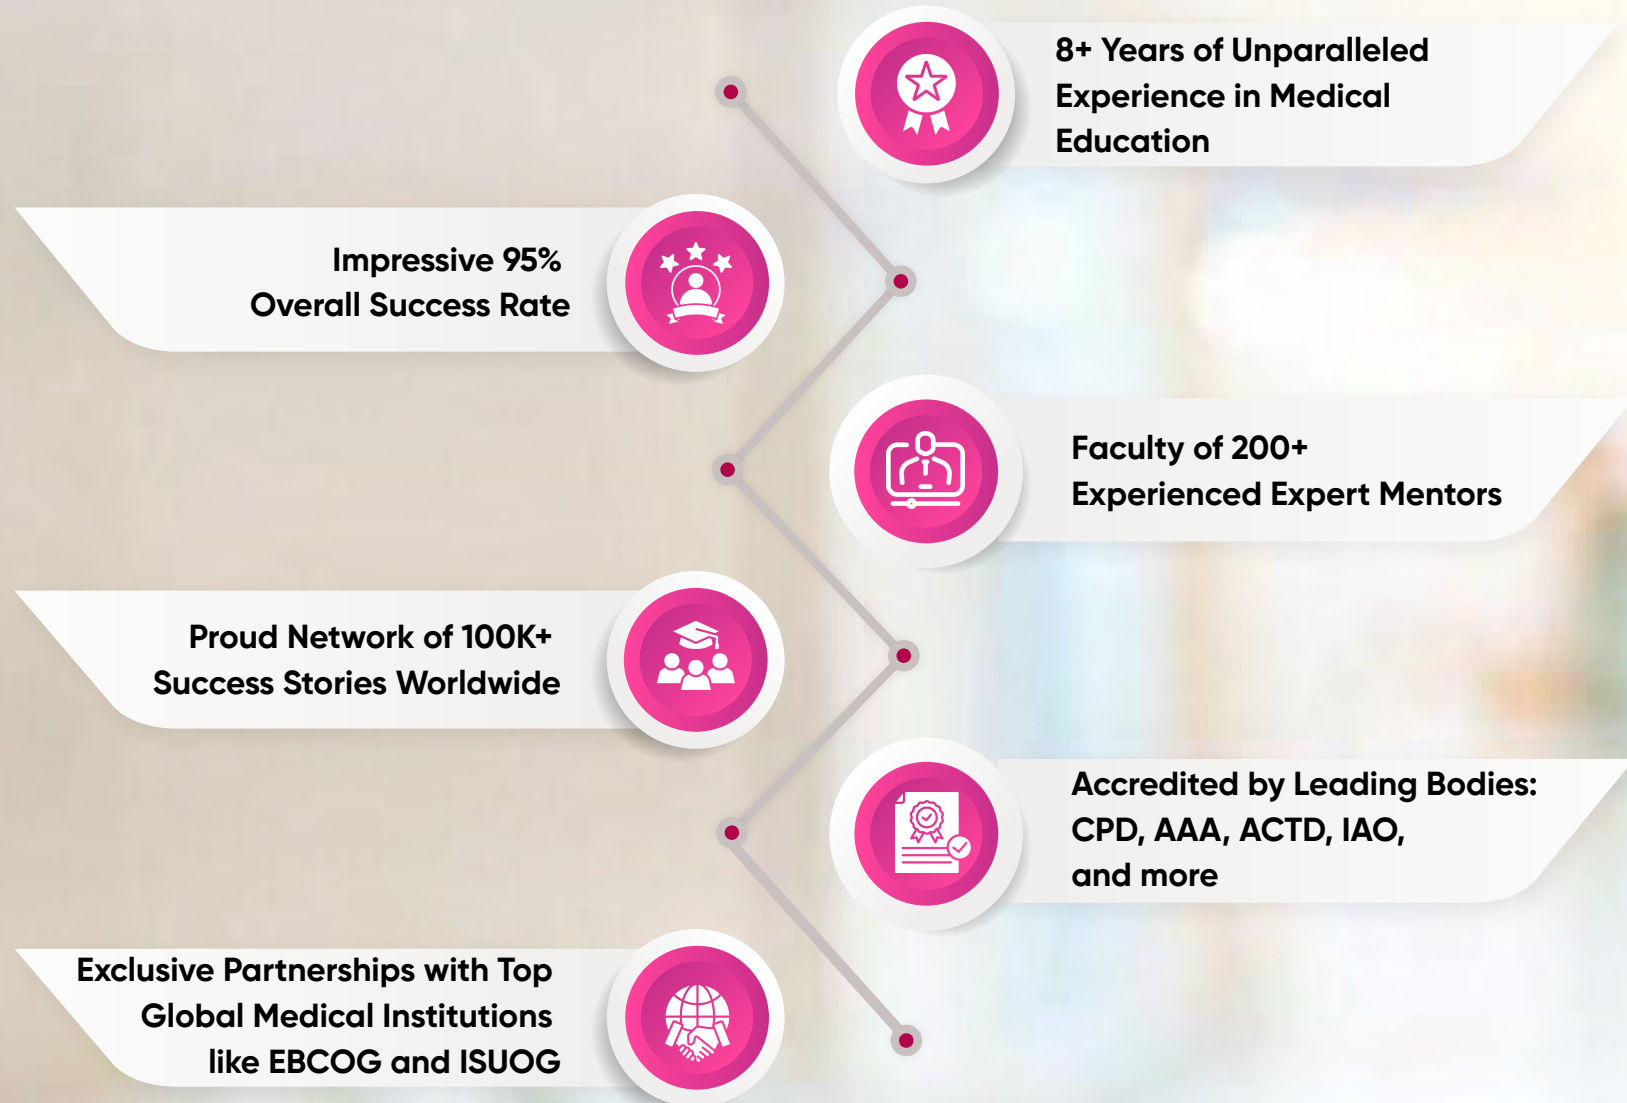

Program Objectives:

- ❖ Develop advanced clinical skills in specific medical specialties
- ❖ Prepare candidates for international medical memberships and fellowships
- ❖ Foster critical thinking and evidence-based medical practice
- ❖ Build a global perspective on healthcare practices
- ❖ Facilitate career advancement in international medical settings

Who Benefits:

- ❖ Recent medical graduates seeking specialized training
- ❖ Practicing doctors aiming for international qualifications
- ❖ Medical professionals looking to transition to global healthcare systems

Why Choose StudyMEDIC?

What is MRCOG?

MRCOG is the gold standard in obstetrics and gynaecology, awarded by the Royal College of Obstetricians and Gynaecologists (RCOG) in the UK. This rigorous three-part examination process ensures that successful candidates are at the forefront of women's health care:

1. **MRCOG Part 1** : Mastery of basic sciences underpinning O&G practice
2. **MRCOG Part 2** : In-depth clinical knowledge and decision-making skills
3. **MRCOG Part 3 (OSCE)** : Practical application of skills through Objective Structured Clinical Examination (OSCE)

A Career-Defining Choice

Choosing MRCOG isn't just about passing an exam; it's about transforming your career trajectory:

- ▶ **Global Recognition:** Your passport to practice in over 40 countries
- ▶ **Career Fast-Track:** Leap into specialist and consultant positions
- ▶ **Clinical Excellence:** Demonstrate world-class competence in women's health
- ▶ **Financial Rewards:** Unlock higher salary brackets globally
- ▶ **International Mobility:** Seamlessly transition your career across borders
- ▶ **Elite Network:** Join a community of leading O&G professionals worldwide

The Career Landscape

Aspect	Non-MRCOG Holders	MRCOG Holders
Recognition	Often limited to country of primary qualification	Global acceptance in 40+ countries
Career Prospects	May need additional qualifications for advanced roles	Eligible for specialist and consultant positions
Training Level	Typically start at lower training levels (FY1)	Fast-track to higher training (e.g., ST6 in UK)
Earning Potential	Generally lower salary ranges	Access to higher global salary brackets
UK Practice	May require additional exams	Streamlined GMC registration process
International Opportunities	Limited international job options	Enhanced prospects for global migration

The Career Landscape

Aspect	Non-MRCOG Holders	MRCOG Holders
Competence Perception	Competence level may need additional proof	Demonstrated advanced O&G expertise
Professional Network	Limited access to international professional circles	Access to RCOG's global network and resources
Academic Positions	May need extra credentials for academic positions	Preferred for research and teaching roles
Career Progression	Potentially slower career growth	Accelerated advancement in O&G
Global Health Leadership	Limited opportunities in international health leadership	Eligible for key roles in global initiatives
Medical Education	Additional teaching qualifications often required	Recognized qualification for educator roles

Program Features: Your Path to Excellence!

- ❖ MBBS/MS/MD or Equivalent
- ❖ Qualification Holders
Medical practitioners registered with MCI/NMC
- ❖ Passionate individuals committed to advancing women's health globally

Program Duration

- ❖ Standard: 2 Years of intensive training
- ❖ Flexible options available to accommodate individual circumstances
- ❖ Extended support until MRCOG qualification is achieved

Testimonials

Dr. Swati Singh

Being with StudyMEDIC was a last moment rescue. I couldn't believe I got 83% with so little time of preparation. I am grateful to Sowmya ma'am for personally looking each and everyone, Chitra ma'am for being so kind and her brilliant way of teaching. Whole content provided was very high yielding. Thank you

Dr. Mrinalini Singh

I would like to thank all the mentors for their everyday words of encouragement and pushing till the last and being available day or night for solving all the queries. thank you so much

Dr T K Machiwenyika

I am residing in Zimbabwe. I was looking for a study partner who would help me achieve success in MRCOG Part 1 and came to know about StudyMEDIC through the internet. I was a bit sceptical at first, and now I passed my MRCOG with flying colours. The mentors were available 24/7 for support and encouragement. Difficult concepts were made simple. Live sessions cleared all my misconceptions. I would strongly recommend StudyMEDIC for success. Thanks to Dr. Chitra and all the other mentors. Lots of love! You are simply the best.

Dr. Mrunmayee Girish

I want to say thank you to all the mentors for guiding us really very well to pass this exam. All of you were encouraging and pushed us to do better every time. Kudos to your support and determination to help us at every step. Thank you StudyMEDIC for giving us such wonderful mentors. It would have not been possible without your support. Thank you Dr. Chitra and Dr. Sowmya.

Dr. Kumari Suman

I would like to thank all the mentors for their everyday words of encouragement and pushing till the last and being available day or night for solving all the queries. thank you so much
