What is FRCR?

The Fellowship of the Royal College of Radiologists (FRCR) is a prestigious radiology qualification recognized worldwide. It is a gateway to a career in clinical radiology, offering:

- **FRCR Part 1 Examination:** Covers physics and anatomy
- **FRCR Part 2A:** Written examination covering all aspects of clinical radiology
- **FRCR Part 2B:** Rapid reporting session, reporting session, and oral examinations

Why Choose FRCR?

- **Global Recognition:** Recognised in numerous countries worldwide
- **Career Advancement:** Leads to senior radiology positions
- **Skill Mastery:** Demonstrates high competence in clinical radiology
- **Higher Salary Potential:** FRCR holders often command competitive salaries
- **GMC Registration:** Eligibility for medical practice in the UK
- **International Opportunities:** Supports migration to various countries
- **Radiologist Network:** Join a global community of radiologists

Countries Recognizing FRCR

- ❖ United Kingdom
- ❖ Australia
- ❖ Ireland
- ❖ New Zealand
- ❖ India
- ❖ Middle East countries (UAE, Saudi Arabia, Qatar, etc.)
- ❖ Singapore
- ❖ Hong Kong
- ❖ Malaysia
- ❖ South Africa
- ❖ Commonwealth countries

Why FRCR is the Key to Success

Aspect	Non-FRCR Holders	FRCR Holders
Recognition	Recognition may be limited to country of primary education	Recognized globally across 40+ countries
Career Prospects	May require additional qualifications for senior roles	Eligible for senior radiology roles
Training Level	Slower progression through training levels	Fast-track opportunities for subspecialty training
Earning Potential	Typically lower salary range	Competitive salaries in various regions
UK Practice	Need for additional exams for GMC registration	Simplified process for GMC registration

Aspect	Non-FRCR Holders	FRCR Holders
<p>International Opportunities</p>	<p>Limited international mobility</p>	<p>Extensive international career options</p>
<p>Competence Perception</p>	<p>Varying competence levels</p>	<p>Advanced competence in general and specialised radiology</p>
<p>Professional Network</p>	<p>Restricted access to global radiology networks</p>	<p>Access to the Royal College's resources and professional network</p>
<p>Academic Positions</p>	<p>Need for additional credentials for academic positions</p>	<p>Preferred candidates for teaching and academic roles</p>
<p>Global Health Leadership</p>	<p>May have limited opportunities in global health leadership</p>	<p>Leadership roles in global health and radiology education</p>

Transform Your Career with **StudyMEDIC** Comprehensive FRCR Training Program

StudyMEDIC's Advanced Specialty Training Program for FRCR is your gateway to becoming a world-renowned Radiologist. Designed with the modern medical professional in mind, our comprehensive two-year program offers an unparalleled blend of expert mentorship, cutting-edge resources, and flexible learning pathways.

Whether you're aiming to elevate your clinical skills, secure international recognition, or fast-track your career progression, our program provides the tools, support, and guidance you need to succeed in radiology.

With StudyMEDIC, you're not just preparing for an exam; you're investing in a future of limitless possibilities in global healthcare. Join us and transform your medical career trajectory with the power of FRCR qualification.

Salient Features

Uninterrupted Learning: Our program ensures continuous education throughout the two-year duration. We provide a structured curriculum with regular sessions, eliminating gaps in your learning journey.

Customizable Study Paths: Tailor your learning experience to focus on First FRCR Part 1, FRCR Part 2A, FRCR Part 2B, or all three. We offer flexible options to fit your needs.

Expert-Led Learning: Benefit from the guidance of globally renowned FRCR-qualified mentors, who bring years of clinical and teaching experience in radiology.

Personal Mentor Support: Each student is paired with an experienced FRCR expert as their personal mentor. This mentor provides tailored guidance, answers questions, and helps navigate the complexities of FRCR preparation.

Exclusive One-on-One Sessions (twice monthly): Benefit from personalised attention with bi-monthly one-on-one sessions with your mentor. These sessions allow for in-depth discussion of challenging radiology topics and get feedback on your progress.

Access to Short Courses: Enhance your learning with unlimited access to our library of short courses. These courses cover specific radiology topics in depth, complementing your main FRCR preparation.

OET Course (1 year, optional): Improve your medical English with our comprehensive Occupational English Test (OET) course. This year-long program helps you meet language requirements for working in English-speaking countries.

24/7 Support: StudyMEDIC's dedicated support team is available round the clock to assist you with technical, administrative, or academic queries.

StudyMEDIC LMS and Mobile App: Study anytime, anywhere with our cutting-edge Learning Management System (LMS) and mobile app. These platforms provide easy access to study materials, progress tracking, and interactive learning tools.

Exam Booking Support and Guidance: Navigate the exam booking process with ease, thanks to our dedicated support team. We provide step-by-step guidance on registration, choosing exam centres, and preparing necessary documentation.

Placement Support: Leverage our vast network to explore radiology career opportunities in the UK or abroad with assistance on job applications and interviews.

Instalment Payment Options: Make your education more accessible with our flexible payment plans. We offer various instalment options to suit different financial situations, ensuring that quality education remains affordable.

Mentor

Testimonials

Dr. Adithya Adavakad

StudyMEDIC really changed my view on FRCR! The expert mentorship and interactive classes made FRCR seem so easy to pass. Thanks to all the mentors and support team.

Dr. Risana Ayoub

Thank you StudyMEDIC. The classes and doubt clearing sessions were a game changer. Also the support and guidance from the mentors were really great.

Dr. Tommy Varghese

Big thanks to the StudyMEDIC team! it was a wonderful journey, where guidance was a guarantee in every step of the way and mentors were willing to clear doubts even at odd hours of the day

Dr. Angel Rose Mary

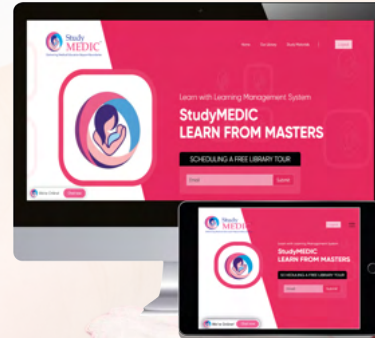

The program was well-structured, and the resources provided were a great help in cracking FRCR. Thanks to all the mentors, who kept on pushing me to succeed.
