## Revolutionizing Global Healthcare Education

Founded in 2016 and headquartered in Qatar, StudyMEDIC is the leading medical education training platform accredited by international organisations and bodies. As the sole accredited partner of EBCOG and provider of ISUOG accredited ultrasound courses, we offer:

- Training for globally-renowned medical memberships and fellowships
- Skill enhancement programs
- Preparation for medical entrance and licensing exams

With an unparalleled training structure and a globally recognized mentor panel boasting decades of clinical and teaching experience, StudyMEDIC empowers candidates with the essential knowledge and skills to build their dream international careers

-  **8+ Years of Experience**
-  **95% Overall Success Rate**
-  **200+ Experienced Expert Mentors**
-  **100K+ Student Success Stories**

## What is MRCS?

The Membership of the Royal College of Surgeons (MRCS) is a prestigious surgical qualification recognized worldwide. It is a gateway to a career in surgery, offering:

- **MRCS Part A:** Written examination covering applied basic science and principles of surgery
- **MRCS Part B:** OSCE-based practical exam to assess clinical skills

## Why Choose MRCS?

- **Global Recognition:** Recognised in over 40 countries
- **Career Advancement:** Leads to senior surgical positions
- **Skill Mastery:** Demonstrates high competence in general surgery
- **Higher Salary Potential:** MRCS holders often command competitive salaries
- **GMC Registration:** Eligibility for medical practice in the UK
- **International Opportunities:** Supports migration to various countries
- **Surgical Network:** Join a global community of surgeons

## Countries Recognizing MRCS

- ❖ United Kingdom
- ❖ Australia
- ❖ Ireland
- ❖ Canada
- ❖ India
- ❖ Middle East countries (UAE, Saudi Arabia, Qatar, etc.)
- ❖ Singapore
- ❖ Hong Kong
- ❖ Malaysia
- ❖ South Africa
- ❖ Commonwealth countries

# Why MRCS is the Key to Success

Aspect	Non-MRCS Holders	MRCS Holders
<b>Recognition</b>	Recognition limited to country of primary education	Recognized globally across 40+ countries
<b>Career Prospects</b>	May require additional qualifications for senior roles	Eligible for senior surgical roles
<b>Training Level</b>	Slower progression through training levels	Fast-track opportunities for specialized training
<b>Earning Potential</b>	Typically lower salary range	Competitive salaries in various regions
<b>UK Practice</b>	Need for additional exams for GMC registration	Simplified process for GMC registration

Aspect	Non-MRCS Holders	MRCS Holders
<b>International Opportunities</b>	Limited international mobility	Extensive international career options
<b>Competence Perception</b>	Varying competence levels	Advanced competence in general and specialised surgery
<b>Professional Network</b>	Restricted access to global surgical networks	Access to the Royal College's resources and professional network
<b>Academic Positions</b>	Need for additional credentials for academic positions	Preferred candidates for teaching and academic roles
<b>Global Health Leadership</b>	May have limited opportunities in global health leadership	Leadership roles in global health and surgical education

## Transform Your Career with **StudyMEDIC** Advanced UK Membership Program for MRCS

---

StudyMEDIC's Advanced UK Membership Program for MRCS is your gateway to becoming a world renowned Surgeon. Designed with the modern medical professional in mind, our comprehensive program offers an unparalleled blend of expert mentorship, cutting-edge resources, and flexible learning pathways.

Whether you're aiming to elevate your clinical skills, secure international recognition, or fast-track your career progression, our program provides the tools, support, and guidance you need to succeed.

With StudyMEDIC, you're not just preparing for an exam; you're investing in a future of limitless possibilities in global healthcare. Join us and transform your medical career trajectory with the power of MRCS qualification.

## Key Features

### Comprehensive Exam Preparation:

A structured, personalized course plan covering every aspect of the MRCS exam, with flexible options to focus on Part A, Part B, or both, ensuring you feel confident and ready to excel in surgical specialties.

### One-on-One Expert Mentorship:

Each student is paired with a dedicated MRCS-qualified mentor who provides personalized guidance, resolves doubts, and offers effective strategies to navigate your MRCS preparation.

### Unlimited Access to All Courses and Batches:

Enjoy unlimited access to all courses and batches, offering the flexibility to customize your learning experience.

### Complementary OET Course:

Build your language skills with a free year-long OET course, preparing you for effective communication in global healthcare.

### Dedicated Relationship Manager:

A dedicated relationship manager ensures smooth coordination with your mentors and the StudyMEDIC team, supporting you throughout your journey.

### Regular Feedback and Progress Updates:

Stay on track with consistent bi-weekly feedback and progress reports to identify strengths and address areas of improvement.

### StudyMEDIC LMS and Mobile App:

Study on the go with our advanced Learning Management System (LMS) and mobile app. Access study materials, track your progress, and engage with interactive tools anytime, anywhere.

### Exam Booking Assistance and Guidance:

Simplify the exam booking process with our dedicated support team. Receive step-by-step assistance with registration, exam center selection, and documentation preparation.

### Flexible Payment Plans:

Choose from flexible payment plans, including EMI/loan options, to suit your financial needs.

### Up to 100%\* Scholarship Opportunity (Achiever Reward):

Earn up to a full fee refund by passing all parts of the MRCS exam on your first attempt, rewarding your dedication and success.

### Exciting Referral Discounts\*:

Earn 10% off for each referral by bringing your friends and colleagues, making learning opportunities even more rewarding.

### Uninterrupted Learning Through the Program:

Learn without limits with our uninterrupted support that keeps your education on track.

### Exclusive Placement Assistance:

Exclusive placement assistance tailored to MRCS-certified professionals, supporting your career advancement in surgical specialties with access to top roles globally.

### Complementary 1-Year Fellowship for 2-Year Program:

Candidates enrolled in the two-year or longer program will receive a complimentary one-year fellowship, enhancing their global healthcare prospects.

### High Earning Potential Post-Qualification:

Achieve top-tier salary packages and accelerated career growth in surgical specialties upon earning your MRCS certification.

### Proven Success Rate:

Join a program with a 95% success rate, reflecting our commitment to helping students achieve their MRCS aspirations.

MBBS, MS Ortho, MRCS Parts A & B  
Mentor

## Testimonial

**Dr. Lam Vasudeva**

I wanted to express my gratitude for the excellent MRCS Part B training program you provided. The comprehensive curriculum, expert instructors, and interactive learning sessions significantly contributed to my preparation for the exam. The course timetable and excellent help from teachers can't be matched. I should really thank all moderators for responding to doubts in absolutely no time...even in their busy schedule. Thank you very much..

**Dr. Sidra Akhtar**

I am very grateful of all the StudyMEDIC team for their guidance and best part of that is daily practice of course MCQS and discussion sessions that enhanced our practice and skills. Thanks to Dr. Rakhshith, Dr. Sanjay, Ms. Thasleema, Dr. Sujan, Dr. Aishwariya, Dr. Sheena and all team members for their support.

**Dr. Abhik Debnath**

I am extremely delighted and thankful to all the StudyMEDIC mentors and staff who were very helpful throughout the course and helped me pass the exam with ease. Dr. Rakhshith, Dr. Aditi, Dr. Sujan, Dr. Yugal, Dr. Aishwarya, and others as well. The classes, material, intensive hours, mock exams, mock revision session each played a significant role in the overall process of preparation and eventual success.
