What is the StudyMEDIC Advanced Clinical Training Program?

The StudyMEDIC Advanced Clinical Training Program is a comprehensive, cutting-edge medical education initiative designed to bridge the gap between theoretical knowledge and practical clinical skills. This program is specifically tailored for doctors aiming to achieve prestigious memberships and fellowships like

MRCOG, MRCEM, MRCS, MRCPCH, FRCR and MRCP

Program Objectives:

- ❖ Develop advanced clinical skills in specific medical specialties
- ❖ Prepare candidates for international medical memberships and fellowships
- ❖ Foster critical thinking and evidence-based medical practice
- ❖ Build a global perspective on healthcare practices
- ❖ Facilitate career advancement in international medical settings

Who Benefits:

- ❖ Recent medical graduates seeking specialised training
- ❖ Practising doctors aiming for international qualifications
- ❖ Medical professionals looking to transition to global healthcare systems

Why Choose StudyMEDIC?

1

8+ Years of Unparalleled
Experience in Medical Education

2

Impressive 95%
Overall Success Rate

3

Faculty of 200+
Experienced Expert Mentors

4

Proud Network of 100K+
Success Stories Worldwide

5

Accredited by Leading Bodies:
CPD, AAA, ACTD, IAO, and more

6

Exclusive Partnerships with Top Global
Medical Institutions like EBCOG and ISUOG

What is MRCEM?

The MRCEM is a highly esteemed qualification awarded by the Royal College of Emergency Medicine (RCEM) in the UK, designed to equip medical professionals with essential skills and knowledge to manage acute and emergency conditions through a three-part examination process:

- **MRCEM Primary:** Mastery of applied basic sciences crucial to emergency medicine.
- **MRCEM Intermediate:** Evaluation of clinical competencies, emergency patient care, and professional conduct.
- **MRCEM OSCE:** Objective Structured Clinical Examination (OSCE), focusing on practical skills, clinical judgment, and real-life application in emergency settings.

A Career-Defining Choice

With MRCEM, you're not just advancing your qualifications; you're setting the foundation for a thriving career in emergency care.

Global Recognition: Your passport to practice in over 40 countries

Career Fast-Track: Leap into specialist and consultant positions

Clinical Excellence: Demonstrate world-class competence in emergency care

Financial Rewards: Unlock higher salary brackets globally

International Mobility: Seamlessly transition your career across borders

Elite Network: Join a global community of top emergency medicine professionals

Why MRCEM is the Key to Success

Aspect	Non-MRCEM Holders	MRCEM Holders
Recognition	Often limited to country of primary qualification	Global acceptance in 40+ countries
Career Prospects	May need additional qualifications for advanced roles	Eligible for specialist and consultant positions
Training Level	Typically start at lower training levels (FY1)	Fast-track to higher training (e.g., ST3 in UK)
Earning Potential	Often limited to country of primary qualification	Access to higher global salary brackets
UK Practice	Need for additional exams for GMC registration	Streamlined GMC registration process

Aspect	Non-MRCEM Holders	MRCEM Holders
International Opportunities	More limited international job options	Enhanced prospects for global migration
Competence Perception	Potentially slower career growth	Accelerated advancement in emergency medicine
Professional Network	Limited access to international professional circles	Access to RCEM's global network and resources
Academic Positions	May need extra credentials for academic positions	Preferred for research and teaching roles
Global Health Leadership	Fewer global leadership opportunities	Eligible for key roles in global initiatives
Medical Education	Additional teaching qualifications often required	Recognized qualification for educator roles

Program Features: Your Path to Emergency Medicine Excellence

1. COMPREHENSIVE CURRICULUM

- In-depth coverage of MRCCEM Primary, Intermediate and OSCE
- Regular mock exams and assessments

2. CLINICAL ROTATIONS

- Hands-on experience in leading multi-specialty hospitals
- Exposure to diverse patient cases and advanced medical technologies
- Rotations include:

1. Adult Emergency	5. Orthopedics
2. Pediatric Emergency	6. Anesthesia
3. Obstetrics	7. Trauma
4. Ophthalmology / ENT	8. Toxicology
	9. Cardiology & etc...

3. E-PORTFOLIO

- Advanced digital platform for tracking learning progress
- Centralised management of assessments and clinical experiences
- Aligns with RCEM standards for professional development

4. EXPERT MENTORSHIP

- Guidance from MRCEM holders with years of clinical and academic experience
- One-on-one sessions for personalised learning
- Regular case discussions and clinical reasoning workshops

6. STUDYMEDIC LMS & MOBILE APP

- 24/7 access to vast learning resources
- Interactive video lectures, podcasts, and learning materials
- Regular updates with latest guidelines and research

5. ATTRACTIVE STIPEND

- Competitive financial support throughout the program

7. PLACEMENT & MIGRATION ASSISTANCE

- Dedicated team for international job placements
- Guidance on visa processes and international licensing
- Networking opportunities with global healthcare institutions

Who Can Join?

- ❖ Holders of a valid primary medical qualification from a recognized institution
- ❖ Qualification must be eligible for, or recognised by, the GMC for registration

Program Duration

- ❖ Standard: 2 Years of intensive training
- ❖ Flexible schedules available to suit individual needs
- ❖ Extended support until MRCEM qualification is achieved*

MBBS, MD (Emergency Medicine),
ACLS, BLS, PALS ATF, FRCEM
Mentor

Dr. Mohammed Hashmat
MBBS, MRCEM, MEM,
MBA, BLS, ACLS
Mentor

Dr. Faiza Afshan
MBBS, MRCEM
Mentor

Dr. Harshil
MD (Emergency Medicine),
MRCEM(UK), LLB, FACEE
Mentor

Dr. Sithi Sabeera
MBBS, DNB (Emergency
medicine), MRCEM
Mentor

Dr. Arunkumar K
MBBS, MD Emergency Medicine,
DNB Emergency Medicine,
MRCEM(OSCE)
Mentor

Dr. Apoorva Chandra P
MBBS, MRCEM, FRCEM(UK),
CCT Emergency Medicine(UK),
ALS, SCLS, EPALS, ATLS, ABAIM,
Mentor

Dr. Ankur Kshitijbhai Masani
MBBS, MEM (GWU-USA),
MRCEM (RCCEM-UK), MBA - HHSM
Mentor

Dr. Atur Mahant
MBBS, MRCEM
Mentor

Testimonials

Dr. Aiswarya Kakkat

I would like to express my gratitude to the StudyMEDIC team for their excellent assistance in helping me pass the MRCEM OSCE.

The mock tests and feedback sessions were particularly beneficial, and the online classes offered effective training.

Dr. Linsho

I would like to take this opportunity to express my sincere gratitude for guiding me through correct pathway to achieve MRCEM OSCE. Specially I want to thank Dr. Sreekrishnan for motivating me and helping to overcome the fear.

StudyMEDIC is the right place to scale the height of success.

Dr. Jeffy Chakkita Jacob

I owe my success in clearing MRCEM OSCE in the first attempt to StudyMEDIC. I attended their 1-month hybrid program and their

MRCEM 2 Days Live Circuit Course. I highly recommend their programs, especially the Mock to anyone who aspires MRCEM. One of the highlights is their one-of-a-kind mentoring, with highly qualified mentors available round-the-clock.

Dr. Priya Ramnani

I studied For MRCEM primary from StudyMEDIC and I would say Dr. Kaushal and Dr. Binod have been great. The precise knowledge and understanding that they gave Esp in anatomy and physiology was perfect to score well in the exam. All past year recalls helped me so much. Without it I definitely wouldn't have understood the exam pattern. I am grateful for this opportunity. Thank you.
